1. Preliminary Statements:

Applicants submit herewith patents, publications or other information of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.

2. A list of the patent(s) and/or publication(s) is set forth on the attached Form PTO-1449 (Modified).

3. A copy of each of the items on PTO-1449 (Modified) is supplied herewith.

4. A concise explanation of each of the items listed on PTO-1449 (Modified) follows:

AA- This reference discloses an electrographic printing apparatus which functions as a copier/printer or fax machine. The apparatus includes an optical print head which can receive information from either a remote or a local source.

AB- This reference is substantially similar insofar as it relates to the subject invention, to the AA reference.

AC- This reference discloses an external device which may be attached to a copier to allow the copier to be used as a laser printer without significant alteration to the copier print engine.

AD- This reference is discussed in the subject application.

The present application was prepared by outside counsel and Applicant's present undersigned attorney was not aware of the patentability search report, or that all references cited therein had not been disclosed. Accordingly Applicant has submitted the present Information Disclosure Statement. Applicant apologizes for any inconvenience, but believes that the reference cited here are no more than cumulative of references already cited in the subject application.

Respectfully submitted,
